- 1. Parish Center Lighting** – In spring, Chris N will be installing lights outside of the Parish Center. The owner of Smith Country Sales agreed to supply the electricity for a light mounted on the light pole near the cemetery.
- 2. Rectory Wood Deck** – We will consider staining the treated deck boards next summer.
- 3. Church Choir Room** – The walls are nicked and scraped from furniture and instruments hitting them. We will repaint that room in early 2024. Bernie L will check paint supplies and schedule a date.
- 4. Canopy Lights** – Roy L installed a motion activated light under the front entrance canopy to provide additional light for religious ed children pickup in the dark of winter. Carl J will check with Roy to see if the length of time the light stays on when motion is detected can be increased.
- 5. New Driveway Signage** – “Left Turn Only” and “Exit Only” signs were posted for the new driveway. We will also add additional sign composed of a yellow left turn arrow and the word “Only”.
- 6. Snowshoveling** – Bernie S and Bernie L will be primary shovelers at church, with others in reserve. Carl J is primary shoveler at the Parish Center, with Gerald S and Paul Vander Loop in reserve. Bernie S will get 10 bags of sidewalk salt.
- 7. Fall Cleanup** – We had the fall cleanup work day Saturday, Oct 14, 9:00 AM, in the rain. Thanks to Roy L, Carl J, Tim Cherney and Bernie L.
